Pay for a Day

Together we can ensure nobody has to face a life-limiting illness alone

Tel: 01642 811060 | teessidehospice.org | Registered Charity No: 512875

Welcome

A message from our Chief Executive

“ Nobody should have to face a life-limiting illness alone and that’s why Teesside Hospice are here to support our patients and their families every step of the way.

We want to reach and improve the lives of as many local people as possible living with cancer and other life-limiting illnesses. 1 in 4* families who require hospice care are not able to get the support they need.

We want to make sure that we can provide our care to everyone who needs it, giving them dignity and choice and the best possible care, supporting not only the patient but their family too.

We know it’s a big ask, that’s why we need your support.

Supporting Teesside Hospice through our Pay for a Day scheme provides your organisation with an opportunity to engage with a local cause that resonates with your staff, customers and suppliers. Partnering with our patient-centred charity also demonstrates your company’s commitment to Corporate Social Responsibility.

If you’re ready to discover the benefits of partnering with Teesside Hospice then please get in touch.

Thank you for ensuring we can care for even more local people.”

Maureen Thompson, Chief Executive

A message from our Ambassador

“ Hundreds of Boro supporters, their families and members of the local community have accessed care at Teesside Hospice, and as an Ambassador I want to help ensure this vital service is available to everyone who needs it.

I have always seen it as part of my job to be a positive influence through sport and charity. My family have seen first-hand the great work that Teesside Hospice do, and the opportunity to partner with this patient-centred charity allows local businesses to demonstrate a real social responsibility.

As well as the fulfilment of Corporate Social Responsibility comes the rewarding feeling of engaging with such an important cause, whilst bringing in many public relations and networking opportunities for those who wish to maximise their engagement with the local community we work in.

I am proud to champion such a fantastic cause and support our local hospice, a vital community asset, and would urge other members of the community, organisations and businesses to do the same.”

Ben Gibson, Middlesbrough Football Club Defender

What a difference you'll make

Teesside Hospice offers palliative care for people over the age of 18 who are living with a life-limiting illness when a cure is no longer possible. Our care is provided 24 hours per day, 7 days a week, 365 days per year and reaches thousands of local people.

Whether it's cancer, heart disease, Parkinson's disease, Motor Neurone disease, a respiratory disease, or any other life limiting illness we make sure our patients and their families get the care they deserve at the time when they need it most.

We know how challenging dealing with a life-limiting illness can be. Our expert medical, nursing and allied health professional teams offer pain and symptom control, psychological support, as well as end of life care. We care for each person as an individual, with respect, dignity and compassion underpinning everything we do. Our services include:

- 10 beds for inpatient care
- Edward and Glenis Guy Day Hospice including our Drop In and Be in Charge Groups
- Adult bereavement counselling
- 'Forget-Me-Not' Children's bereavement counselling
- Pre-admission and discharge support from our Outreach Nurses
- Complementary therapies
- Lymphoedema clinics and outpatient clinics
- Patient & family support
- Dementia support by our Admiral Nurse for patients with dementia at the end of their life

Plus we're always at the end of the telephone to support patients, families and professionals.

All of our services are free of charge to patients and their families and are inspected by the Care Quality Commission.

Each year it costs £2.8 million to provide our care. Grants and NHS funding cover around a third of this cost, which means we need to raise £6,000 each and every day of the year to keep our services running.

Your valued support will help us ensure the future of your local hospice.

What is Pay for a Day?

**We need to raise £6,000 per day to provide our care.
Can your organisation help us?**

Pay for a Day is a way for you to support Teesside Hospice by sponsoring 24 hours of care on a day of your choice.

You may want to recognise a significant milestone for your company or staff, or perhaps it could be a day in memory of someone special no longer with us. You can choose any day that is significant to you.* You can make a single donation or fundraise as a company.

Sponsoring a day with a gift of £6,000 will allow us to continue to deliver our services and provide vital care to our patients and their families.

Become a corporate partner and pay for a day

Support your community – by paying for a day you are not only supporting the hospice but the wider Teesside community. Your gift will help our patients, their family and their friends.

A common cause – staff cohesion is a vital part of any successful business. Supporting a local charity that has touched so many people's lives offers many opportunities for colleagues to come together whilst raising much needed funds.

Corporate Social Responsibility – by sponsoring 24 hours of care at Teesside Hospice you are allowing your company to be associated with a highly respected local charity, whilst publicising your company's commitment to improving the lives of local people.

While it's mainly businesses who choose to pay for a day, individuals can too; whether it's fundraising, a one-off donation, or in memory we would love to hear from you.

*Subject to that day being available. Where your preferred date isn't available, we will offer an alternative suitable date.

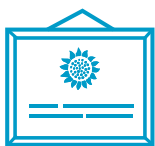

**To pay for a day or for more information
please email:
corporate@teessidehospice.co.uk**

How we will support you

Our corporate partnerships are as unique and individual as the companies we work with. From your initial enquiry we develop a partnership suited to you so we can make it as successful as possible.

If your organisation decides to Pay for a Day, we will provide you with the following:

A framed certificate

Business listing on our Corporate Partners web page

A visit to the hospice so you can see first-hand the difference your support makes

Invitations to quarterly Teesside Hospice Business Breakfasts with networking opportunities and public recognition for paying for a day

We will raise awareness of your organisation's support through the local media and our social media channels as a public way of thanking you for your involvement

Invitations to corporate events such as our Black Tie Ball and Golf Days

Why I support Teesside Hospice

Working in partnership with a charity like Teesside Hospice can benefit your company, as it helps to build your Corporate Social Responsibility reputation.

“We chose to sponsor Teesside Hospice as we wanted to help support the wide range of services and high level of palliative care that the hospice provides to those in need. The services that the charity provides are vital to our local community and are in line with our ethos of community welfare, making Teesside Hospice a charity that we are proud to be associated with and support.”

Tim Payne, Charles Clinkard Trading Director

“Jennings Motor Group pledged its support to Teesside Hospice and fundraising was kick-started with a £5,000 donation followed by lots of other fundraising activities, including golf days, Soul/Motown events and raffles. A number of male members of staff also abstained from shaving for a month, which further boosted funds. The total amount raised was in excess of £13,000! We were delighted to be able to support Teesside Hospice. The specialist care the hospice provides, in addition to the number of services they are able to offer local people, is truly outstanding.”

Nas Khan OBE, MD and Proprietor of Jennings Motor Group

“Here at Holiday Inn Express Middlesbrough, we believe that we should always show that we care; we do this by engaging with the community and supporting local charities. Teesside Hospice has remained at the forefront of our care philosophy. Over the previous two years, we have worked together to host networking events, Afternoon Tea parties and Charity Challenge nights, and we have enjoyed being part of Charity Balls and Golfing days alike. Each year, we oversee Centre Square as it flourishes with Sunflowers and are thrilled to host the annual Sunflower evening drinks reception. We are absolutely delighted to be joining forces again in rolling out our Business Breakfast events.”

Toni Bainbridge, Holiday Inn Express Middlesbrough Sales Manager
